Stash splash

When my husband was at work one day, I raided his porn stash. I called in sick at work and then grabbed a few mags – including *Escort* of course – and a couple of DVDs.

The first DVD was horny stuff and my fingers weren't doing it justice. I got my toys out of my bedside drawer and started rubbing my favourite dildo all over my clit.

I kept teasing away until I felt myself get close to cumming, then I just plunged it into my cunt. I didn't get off yet, although I fingered my clit, pressing and squeezing it against the shaft of my toy.

I took it as slow as I could, pulling myself back from the brink of cumming often at the last second, until I couldn't take it any more. As my fingers stroked my clit, my climax hit me really hard.

I was insatiable, like I had this big itch I couldn't scratch. I'd drop off to sleep lovely, but as soon as I was awake again, my hand would go straight to my pussy.

Watching all the porn didn't help, either – a couple of minutes of some stud screwing the hell out of some slut and my juices would be frothing out of me.

When Martin got back from work he was horny, and kept saying how I must be gagging for his cock. Then he saw all the porn and sex toys lying around and grinned.

I gave his cock a long, slow sucking – my mouth was just about the only bit of me that didn't feel too tender for some fun!

Scot free

Recently I went to Edinburgh – more than 300 miles from home – for a few days of meetings and found myself with a free afternoon before dinner with a client.

The thought of spending it in my budget hotel room with just my vibrator for company was too depressing, so I decided to hit an art gallery.

It wasn't just the paintings I looked at – I saw this bloke eyeing me up. I sidled up to him and, after a bit of small talk, I just gave it to him straight, telling him I was up for a fuck but it had to be right now.

His name was Iain and, one 15-minute cab journey later, I was stripping off in his bedroom, watching him undress too. I already knew from copping a sneaky feel

he had a nice big cock on him, and I'd got it hard in the cab back – no sense in wasting time!

As we snogged, Iain was sucking on my tongue while my hands reached down to grope his prick. I must have got him over-excited – by the time

He fondled my shaven pussy lips

he'd fondled my shaven pussy lips and shoved his fingers in my soaking hole, he was already shooting his load all over my belly. He looked a little bit awkward – I just scooped it up and licked it off my fingers before giving him another snog.

He knew what he was doing with his hand, using his thumb and fingers to manipulate my clit. I was juicing up in waves and then his other hand moved in between my bum-cheeks, fingers tickling their way up my arsehole. I tightened up around them, both holes getting the horniest sort of attention now.

He dropped to his knees, opening up my labia to give me a licking. When my clit gets swollen up and horny, it seems to roll about against a bloke's tongue, but I was loving his attempts to catch up with it. Then he just sucked it into his mouth. I felt an orgasm well up and I ground my pussy against him, filling up his mouth with my cream.

This bloke loved eating pussy! He turned me round and started licking me from behind, pulling my lips wide once again so he could stick his tongue right inside me. And all the while he used his thumbs on either side of my clit – a new one on me, but fucking hell it worked! And I started thinking maybe he could breathe through his ears – he never seemed to pause for air.

I came again and wanted to return the favour with a blowjob, but he asked if he could just fuck me instead. Sure, I thought, and just squatted down over his lap, wanking his prick against my slit then taking it inside me. He just grabbed my hips, pulling me on and off it as I bobbed up and down. "Here we go again…" I thought, as

his fingers trailed down to find my clit, and my head soon felt like it was going back into orbit.

Just when I thought he wasn't in any rush to cum, he started to pound in hard and fast. I clenched around him, giving him a good, tight fuck, then suddenly I felt this massive blast of spunk deep inside me.

We just stayed there for a bit, Iain breathing heavily and squeezing my sensitised tits as we came back down to earth.

But I didn't give him long to recover – I wanted as much of his cock and tongue as I could take before I had to leave and meet my client.

I just made some bollocks comment about enjoying a bit of city culture, but she seemed to swallow it. Just like I did when Iain finally let me suck him off!

What's with all the tin foil? Have Jess and Sami gone all paranoid and bonkers? (Yes, loves, you are being watched, but only so as we can have a toss.) Or are they trying to wrap the world's largest turkey up in time for Christmas? "No, it's just the photographer making it up as he goes along," sighs Jess. "Sometimes that's the best way to do it, isn't it? Just go where the mood takes you. And if that means being stuck in a 69 with Sami's ripe, dripping pussy on the end of my tongue, so be it!"

It's always the quiet ones you've got to watch out for. The girls who say they couldn't possibly perform in front of an audience are usually the ones who end up hogging the microphone, and the cock, by the end of the night. "If you think my rendition of *I Will Survive* is earsplitting, you should hear me in the sack!" chuckles Jodie, 21 from Frant. "Once I get over my nerves, I love opening my lungs in front of a gang of lads!"

She fucks me hard and fast from behind, then slows down for some deep pile-driver action while she plugs her own hole. We get so wet and wide-open our pussies can almost touch in the middle! NICKY, LONDON

Slam Dunk

Seeing my photos printed in *Escort* 32.11 sent my husband wild and I have to admit it turned me on too.

Last week, hubby was working away from home so I decided to take some dirty photos and send them to him to guarantee a real dirty pussy-licking weekend when he returned.

I stood in the mirror and started to take some snaps, posing as sluttily as I could. I was getting really into it and was soon very horny.

Just then the doorbell rang. I slipped on my robe and went to see who it was. I was pleasantly surprised to find my husband's rather sexy best mate on the doorstep. I invited him in and straight away he noticed my fishnet stockings and asked me why I was wearing them on my own in the middle of the day.

So I handed him my copy of *Escort* and told him to have a look at my pics while I went to make us a cuppa. When I got back to the front room I found him reading my story and rubbing his cock. I undid my robe to reveal my naked body enclosed n sexy underwear and asked him if he would like to help me take some dirty pictures. He didn't need asking twice and he quickly followed me up the stairs.

I handed him the camera, got out my biggest dildo and started to suck on it while he watched. I was licking and sucking this great big dildo and all the while his eyes were glued to me so I slowly spread my legs open to reveal my warm shaven pussy.

He put the camera down and quickly took his clothes off. I took the dildo out of my mouth, got on all fours, grabbed my arse cheeks and pulled them apart so he could get a good look at my now dripping wet pussy.

I told him to get some close-up pictures of it and as he started taking them I slipped my big vibrator into my throbbing pussy and started to fuck myself. I could him hear moaning and I looked behind me to find him wanking his huge cock off over my arse while he watched the dildo slamming into me.

It really turned me on to see him wanking over me and I decided that I wanted a go on his massive manhood. So I dropped my dildo and spun round so that I could engulf his

big hard dick I my mouth. I began sucking fast, licking up and down his shaft. I reached down to pay with my pussy again, rubbing my throbbing clit as I pushed my fingers in and out as fast as I could.

I wanted him to taste me so I got on top of him and sank my wet mound onto his face. He slipped his tongue into my slit and started to lick me. I grabbed his dick and began wanking it up down. I was grinding my pussy on his mouth, feeling his tongue exploring.

I leant down to take his huge balls in my mouth and sucked on them, massaging his sack with my lips and tongue. His tongue on my clit felt so good that I was soon exploding my juices all over his face and in his mouth.

He grabbed my waist and bent me over. Before I knew it his cock was slamming in and out of me. My pussy was so wet and warm and was still throbbing from my orgasm only seconds ago. I could feel his balls slapping against my slit every time he thrust his enormous cock deep into me.

Within minutes I was ready to explode for a second time. It must have felt pretty good for him as just after I finished he pulled out to cum all over my soft round arse.

So I got a mid-week hammering, he got hot sex with his best mate's missus and hubby got to see all the photos. We were all winners!

ANNA

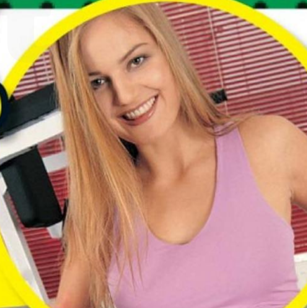
Our geography skills are patchy – except when it comes to finding our way around the female body. Tits, fanny, barse, that slight imperfection they can't stand being pointed out – we're experts. So's Anna here with the male anatomy. "I know just which part of your cock to suck and nibble to send you spurting into my mouth!" That's any part of ours, Anna!

REAL WIFE SEX



Janet, St Albans

Hiding behind the drapes, David sees his missus put on one helluva show...

Like a lot of guys, the thought of being able to watch my girlfriend getting well and truly fucked by another man really turns me on.

Janet is a very liberal minded girl and loves describing the filthy things she'd do with another prick to turn me on while I was humping her.

She got really excited at the idea of me watching secretly as she sucked on a stranger's cock or let him stick his meat in her tight little arsehole.

We'd often talked about how to turn my fantasy into reality, but it was only when we were on holiday in Mexico that the perfect opportunity actually presented itself.

Janet has a great body with nice, full tits, long legs and a fabulous curvy arse that guys seem to drool over, so she immediately attracted the attention of the randy waiters in our hotel, even though she was clearly with me. I'm used to the reaction she causes in other blokes, however, and my imagination ran riot as I watched men's eyes follow her across the room, lusting after her and wishing her lips were wrapped around their cocks instead of mine.

I rushed on to the balcony to watch

One of the bar staff took a particular shine to Janet, and I'd purposely send her to the bar for the drinks so I could watch him flirt outrageously with my girlfriend, even stroking her arm gently as he ogled her cleavage and made suggestive remarks.

I took pleasure in pretending to be the dullard husband who had no idea his wife was at risk of getting carried off by this lusty macho Mexican and we decided he would be the lucky bastard to get his cock inside Janet's pussy and set it up for the very next night.

'My C

I'd been waiting in our room for about an hour when I heard the key turn in the lock and rushed out onto the balcony to hide, my dick already rigid with the anticipation of what I was about to see.

Janet came into the room with the guy, still dressed in his waiter's uniform and, as I peered through a gap in the curtains, she pulled him to her and stuffed her tongue into his mouth, his hands slipping around her waist and gripping her buttocks as he pressed his crotch against her. My cock pulsed with a mixture of jealousy and lust as they

URTAIN CALL!'

continued to snog passionately in front of me.

Turning him round so that his back was towards the window, Janet unbuttoned her blouse and slipped it over her shoulders, her lovely fat boobs swaying slightly as she knelt and unzipped the guy's trousers. Janet looked at me as she eased his dick from his pants and rubbed the tip of the semi-stiff prick against her nipples.

I moved to one side for a better view and slowly began to wank as I watched my baby lift his circumcised knob to her lips. Jeez, I nearly came there and then as she swirled her tongue around the bulbous end, before taking it completely into her mouth and sucking it hard. I could see her cheeks going in and out as she slurped on it, her eyes never leaving the gap in the curtains where she knew I'd be watching this filthy display.

The guy's hands reached down to my girlfriend's tits and he squeezed them roughly as she began to pump her mouth up and down his shaft, cupping his heavy balls in her hand at the same time.

She pumped the stranger's shaft

Fuck, this was hornier than I'd ever imagined, and I knew that whatever happened next, I'd be screwing her brains out before the night was through. The Mexican obviously had the same idea and pulled Janet onto the bed, pushing his hand between her bare thighs as she straddled his crotch. I could actually see first one finger and then another push inside my girlfriend's cunt, right up to the hilt. She arched her back and rolled her eyes as he finger-fucked her gash, his mouth locking onto one dangling breast in turn while his rock hard dick slapped

SEX WITH ALL THE STRINGS

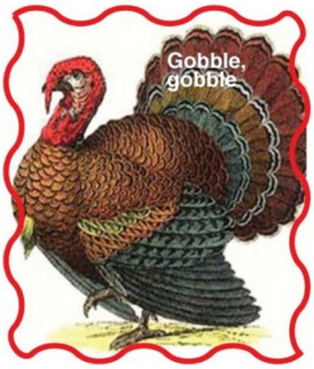
Daisy Blade's boyfriend puts his honey where her mouth is...

Being a sex writer means spending time in bed with Mr Boyfriend is a necessity. There's nothing like first hand "research", after all.

Recently I've been penning about oral sex, more specifically cunnilingus – that's the posh name for going down on a woman. Obviously, this meant for the week I was writing the piece Mr Boyfriend had to lick me from slit to clit, demonstrating all of his best tongue movements and complex techniques, which I showed *much* interest in.

Mr Boyfriend loves to eat my pussy, so I managed to get away with this night after night, until he eventually called bullshit on my "research". He ordered me to prove my own oral skills. If I'm to earn a living from writing about sex, I'd damn well better know how to do it properly, he argued. It's a practise what you preach kind of deal, apparently.

Even though he knows full well how good I can fuck with my mouth, I never shy away from a challenge – an aspect of my character Mr Boyfriend knows only too well – and I'm especially proud of my fellatio skills. Calling them into doubt only makes me more determined.



Deciding that I wouldn't give him any old blow job, I'd go all out and give him one he wouldn't forget any time soon. Over the years we've been together I've come to learn how he loves to have his cock licked. Starting with something familiar, I lubed up my hands and stroked him, before going down with my mouth, teasing his balls with my tongue and licking from base to the head of his cock.

From this point on he's putty in my hands, so I take my time demonstrating my own swirling skills: switching between running the tip and the flat of my tongue around the sensitive head of his penis, before sinking my mouth over him completely. I can't deep-throat, but I push as much of his length between my lips as possible, wrapping my warm lubed-up hands around the rest of his cock, so he's completely covered.

Holding him in my warm, wet mouth gets him that extra bit harder. I grip tighter. Slowly sliding him out of my mouth, my hand follows up his length and then I get into a pumping rhythm. My other hand sets to working his balls and stroking the perineum.

One of the great things about loving to suck dick is that I am a cocky fucker, stupendously confident in my skills and ace at reading Mr Boyfriend's reactions. It was easy to tell when I had stroked, licked and pumped him close to coming. So I stopped.

Letting go and sitting back I watched that combination of pleasure, near-climax and confusion cross over his face. I know, how cruel of me! Still, the challenge had been set and this was going to be a mind-blowing orgasm. He'd thank me later.

Looking him in the eye, I stood up and over him on the bed, my crotch above his pulsing cock. Lowering myself down, I slipped him into my pussy. This whole new, tighter sensation made his body shudder. Starting to bounce on his cock I fucked him, hard. Covering his length in my own juices I allowed him to enjoy this until I'd cum, which again brought him close to ejaculation as my pussy tightened and gripped his cock. So I stopped. "What the...?"

He didn't have to wait long to find out 'what the' I was going to do next. Quickly taking him into my mouth again, resuming the blow job, I licked off all my own cum from his stiffening length and tightening balls. Watching me clean him up with my mouth sent him over the edge. Mr Boyfriend filled my mouth.

Swallowing, I looked him in the eyes and said, deadpan, "*That* is how you give oral sex." I'm unashamed to say we high-fived after that and even years into our relationship, the blow job challenge never gets boring.

ATALIA

Given the pick of the dressing-up box, Natalia plumped for this sexy little PVC number that had our temperature soaring. "Sit back and let me give you a show. This is how I do it at home, taking it nice and slowly, teasing you and getting you nice and stiff as I disrobe. Don't you undress though — I'll do that for you. It takes longer but I'm worth the wait!"

Spice of Wife

Swinging saved my sex life! It's an unusual situation, and I wouldn't recommend it as a solution for anyone else, but for my husband Mark and me, it has worked.

We've been married for five years, and in the last year or so, my sex drive has gone through the roof! We used to do it a couple of times a week, but we were down to maybe once a week, and I got the impression that was more than Mark really wanted any more, and that he was just doing it for me.

As we are still very much in love, and have a strong relationship, I spoke to him about it, and he admitted that he just didn't feel horny that often any more.

He said that just watching some tits on telly would be enough for him now, and this got me thinking.

If watching would be enough for him, how would he like to watch me with someone else? Well, I plucked up courage to talk to Mark about it, and after a couple of months I finally did. He was very understanding about my need for sex, but he was dead set against me going with another man – we've both been faithful all these years, and he didn't want another man to intrude on that. Of course I understood that – I even expected it!

I was surprised two weeks later when Mark came to me and said, "Helen, I've been thinking about what you said. I'd quite like to see you with another woman!" I was shocked! I'd had a few fantasies about trying it with another woman before, but actually doing it?

It took me a while, but I kept thinking about it, and eventually I decided I'd like to give it a go!

Mark and I spoke again and ended up advertising on a couple of internet swinger sites for another couple just like us – a woman for me to be with, and her partner to watch, just like Mark. We didn't think we'd get anyone, but we did!

Jed and Suzie contacted us – it turned out they were very similar to us in many ways, so we arranged to meet up in a pub near their home, and if we hit it off we'd go back to their place. Well, we met up as planned and we all got along like a house on fire. The main difference between Jed and Mark was that Jed loved to see his wife get poked by all and sundry, and used it to turn him on and then fuck her.

We went back to their place and Jed hid himself in a cupboard to watch and Mark sat out on the landing to spy on Suzie and me in the bedroom.

I wasn't sure how to begin, but Suzie took the upper hand and kissed me then began to undress me. Soon we were both naked. It felt so different to feel a smooth female form pressed against me!

She wasn't shy about licking my cunt – again much different to how a man would do it. We got into a 69 so I could lick her too. My first taste of minge was

JED LOVED TO SEE HIS WIFE GET POKED BY ALL AND SUNDRY

amazing! I took to slurping on cunt like a duck to water! It was great and when Suzie produced a dildo and inserted it into me I was cumming in minutes!

I tongued and finger-fucked her to an orgasm – I was proud of myself that I'd made her cum! I almost forgot that Mark and Jed were watching us.

Suzie produced a strap-on from her collection of sex toys, put it on and asked me what position I wanted it in. I got onto all fours, and pointed to my pussy – doggy has always been my favourite fuck position!

She slid the plastic prick into me. It felt cool. Then she started to fuck me with it, gently at first, but getting harder and harder until she was banging me furiously! I used one hand to fiddle with my clit. I was getting off again. My first lezzie experience and it was great! Better yet, both our men were watching us. I finally came as she rammed the strap-on relentlessly into my hole and I collapsed.

I took a few minutes to recover before donning the strap-on and giving her a go with it. I fucked her as best I could, inexpertly at first, but I soon got the hang of it and was sliding its full length in and out of her soaking wet cunt.

She came, quivering on the fake cock. We were both exhausted. I knew she would have to fuck her husband later too.

Mark was very pleased on the drive home and suggested that we do it again soon, so we've set up another date with Jed and Suzie, and are also looking for more couples willing to entertain our particular tastes.

Jessica, Surbiton.

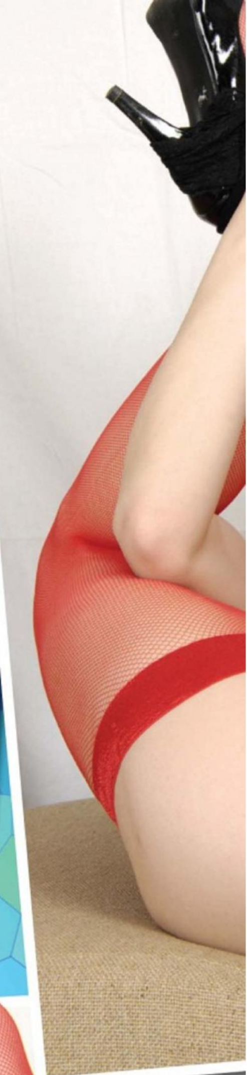
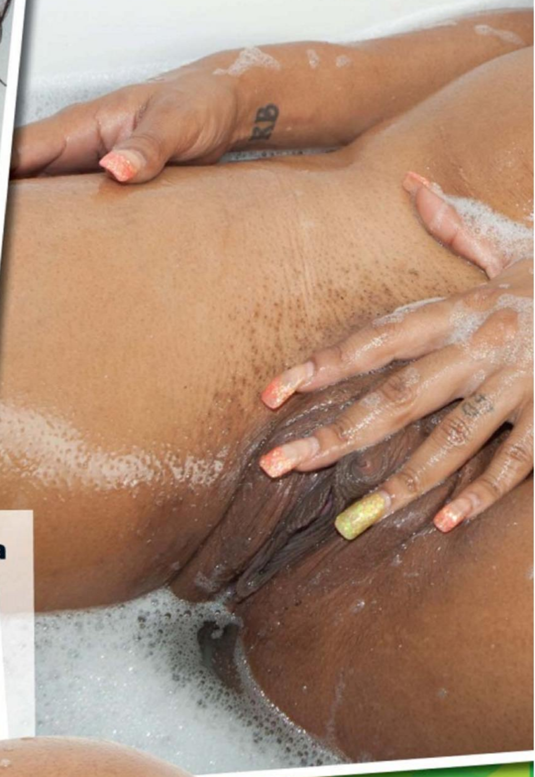
LIGHTS CAMERA SUCTION!

CHLOE



Just 18, pixie-faced Chloe looks so sweet and innocent we were worried for her elfin safety. We needn't have worried – she hasn't been kidnapped by Albanian traffickers to strut her gorgeous young assets in our pages, she's just a sweet, sexy and very horny young girl from Clacton who loves to suck cock and wants to make it big in magazines. She's made us big anyway, so a good start. Look out for more of Chloe soon.

KIKI



Get your kicks with kinky Kiki – she's a real live wire (although that might not be advisable in the bathroom). We had the neighbours complaining about the amount of water leaking through into their premises after Kiki thrashed around like a captured seal in the tub, rubbing her boobs, stirring her cunt and orgasming all over the shop. And we hadn't even started shooting!

CHESSIE

"My boyfriend says that I won't shut up! So I guess it's just as well for him that I can accommodate two cocks at once between these luscious lips!" boasts chatterbox Chessie (21, from Sutton). "I'm always badgering him for sex, talking dirty to him – the poor love! I can be too much for any one man so he brings his pal round to fuck me as well. Having two cock heads sliding over my tongue is heaven. Once they even managed to cum together and give me a double shot of creamy spunk!"

Strange Position

JUICES DRIBBLED DOWN MY CRACK AND ON TO HIS DESK

Finding my current position boring, I started applying for jobs.

Because I was under no pressure to find work immediately, I found that I wasn't nervous at interviews and could use them as practice.

At one interview, I tried to stay serious, but couldn't resist flirting with the interviewer, Simon.

It was mean of me I know, but when I saw him glance at my chest, I asked if he was "enjoying interviewing my tits". I didn't give a fuck what I said because the interview didn't matter, but he wasn't to know that – he looked at me, gobsmacked.

He laughed nervously and apologised if he'd offended me. At that point, I decided to come clean, telling him why I was really there. Then I said that, of course, I could think of several better ways to waste each other's time…

Two minutes later, he was getting an even better look at my tits, because they were popping out over the top of my bra.

As he licked my hardening nipples, I pulled my skirt up and my panties to one side, then guided his hand in between my legs. He pumped me with two stiff fingers, making me moan.

"On the desk," he ordered me. He didn't want me naked, reckoning my interview suit was well horny. I perched on his desk, spilling out of my clothes, one stiletto heel resting on each arm of his executive chair.

Simon started eating me like he hadn't sucked on a pussy in years, lapping and drooling at my wet snatch. But whatever he was doing it was working – I felt this sudden flash of pleasure, and jerked away from him – I wanted to string things out a bit more. We kissed and I tasted myself in his mouth.

My hand a bit shaky, I fumbled in his trousers, pulling out his big, erect cock.

I didn't spend too much time wanking him, though. Instead, I lay back on the desk, sending half the papers and stuff on it flying.

Not that Simon cared. He was gazing at my pussy, pink and oozing, watching the lips part as he nudged his swollen cock head into my opening.

He fucked me hard, back and forth on the desk. He was circling his hips as well as thrusting, and I put my legs up behind his back, holding him deep in me.

Soon I was cumming, juices dribbling out of my pussy, down my crack and onto his desk. My juices were soon joined by more body fluids as Simon jizzed inside me, pulling out and collapsing back in his chair to watch it all flood out of me as he squeezed the last of his load out of his cock with his hand. I didn't miss a thing – I squatted down in front of him and licked the cocktail of our cum off the desk.

There was no way he could offer me the job after what we'd done – as he said, I'd put him in a bit of an awkward position! But I got his number before I left!

Sarah, West Sussex.

Julia says: We've got scores more pics of her (of which we'll print just one for now). Most of them are in my desk drawer under the paper clips, or propped up under my screen for when I want to see how a really curvy girl carries it off with aplomb!

DEAR JULIA

Dear Julia
Could you tell me if there is a Television X DVD of *The Iron Lady Garden* and if so where can I purchase one. The pictures look great!
R., Gloucs.

Cabinet orifice meeting

Julia says: Not at the moment, R, but judging by the positive comments our readers have made on it they should do! I think people are nostalgic for the 80s in a funny way – when EastEnders was good, Glenn Medeiros got to number one and we could still whoop the Argies. And of course *Escort* was launched!

Dear Julia
Great shots of Kate from Hampshire flashing her bits around East London. I think that this would have given any Olympic visitors as much of an insight into British culture than Mr Bean and Bond!

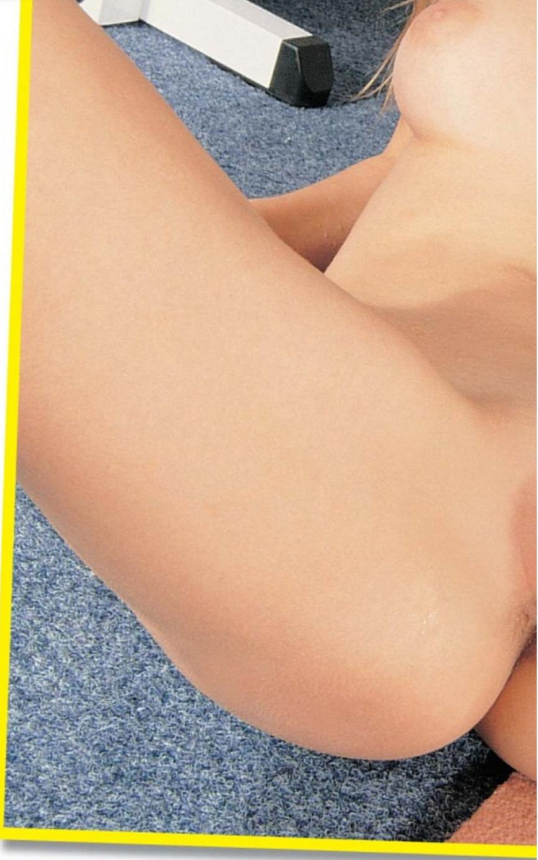
REAL WIFE SEX

David's story continued from page 19



against her thigh.

Janet suddenly clambered up the guy's body until her pussy was over his mouth. She looked up at me and just dropped down onto the poor bloke's face, grinding that sodden pink slit of hers hard against his lips. By the look of joy on her face his tongue was inside her and she rode him, mauling her tits as she stared at me, acting the slut for my cock while another man licked her out.

Janet let out a yell of pleasure as she came and I could even hear the disgusting squelching sounds of his tongue lapping up the cunt juice that I knew would be pouring out of her hole and down his throat.

Janet climbed off him and positioned herself on the bed so that she could look at me while her new lover stuck his throbbing meat into her gaping twat.

I masturbated feverishly as he held her thighs wide apart and slammed his cock straight inside her. She smiled at me as he pulled out and then banged it back in up to his balls. She lifted her legs up and wrapped her ankles around his neck as he screwed her. I could see his glistening shaft stretching her fanny lips with each thrust as he shagged her in a frenzy, grunting as he hammered his meat into my girlfriend's eager hole. I thought the bed would collapse as they humped in front of me, Janet licking her lips for my benefit as he held onto her boobs while he skewered her faster and faster.

Suddenly, he dragged his dick from her cunt and pointed it at her tits. A jet of thick white seed sprayed out of the tip and splattered all over Janet's stomach. The next splashed over her breasts and the third reached her open mouth, which she hungrily licked up.

He hammered his meat in her hole

She sucked his shaft clean, holding on to his arse cheeks and looking round the side of his thighs and giving me a knee-jellifying horny look of satisfaction that nearly had me losing my mess on the carpet and then kicked her conquest out of the room before he even had time to do up his flies.

It was just as well. Unable to wait another second, I burst in from the balcony and dived onto the bed, thrusting my aching prick into her just-fucked cunt as she smeared the guy's spunk over her tits, before licking the mess off her fingers as I squirted a huge load of spunk deep inside her.

I was so horny that I could feel my cock getting hard again as I rested for a minute between my slut girlfriend's sticky thighs.

Then I gave her a good pounding, spanking her arse and slapping her swinging tits as I rode her all the way to the finishing line again.

We fucked and sucked each other all night and, although we haven't repeated our dirty little game since, we still use the sordid details to spice up our more regular lovemaking. Maybe next year!

Open Wide

My husband Mark came home from work and told me his cousin Ian had phoned and that his wife had kicked him out.

He'd asked if he could stay at ours for a few days. I told Mark I'd always wondered what Ian's cock was like. Mark said if he stopped over I might get the chance to find out.

When Ian turned up I opened the door and Ian's eyes fell straight to my ample tits, my nipples standing out, pushing against the thin material of my top. Ian came in and I showed him to his room. On the way upstairs I went in front of him wearing a very short skirt and no knickers so he got a very good look at my split peach.

He commented on how good I looked and I told him he might get a taste of it if Mark was up for it, knowing full well he would be.

Ian came down and sat opposite me while Mark got us drinks. I parted my legs, exposing my wet cunt, and flirted with Ian, saying I never got to see the size of his cock. Mark said that there was no time like the present. With that, I got down on my knees and unzipped Ian's pants, exposing a cock with a massive girth. I couldn't get my fingers round it!

Ian grabbed my head and forced his man-meat down my throat, making me gag. When he pulled out, he roughly pulled my top off, exposing my large sensitive hard nipples. He mauled my tits and had my fanny juicing up, the wetness running down my thigh.

I was desperate to have his cock so he slid three fingers into my little fanny and started to loosen me up. I was quivering as he made my clitoris twitch with his thumb and begged him to stick his fucking cock up my cunt.

He spread my labia with his bulbous head and started to

LEIGH, DONCASTER

One evening my big-boobed girlfriend Leigh and I met up with two of my mates, Cal and Kevin down the pub.

They were out on the pull, but I was dying to get home because I knew Leigh had shaved her cunt for me and I was desperate to get my chops around it.

I decided to invite my mates back to our house for some more drinks.

So us three blokes and Leigh piled into a cab. I noticed Leigh couldn't keep her eyes off Kevin's bulging crotch. I knew what the horny bitch was thinking.

Back at the house I left Leigh sitting between Cal and Kevin as I went to get the drinks. By the time I returned, the horny slut had already unleashed Kevin's big cock.

She was sucking it like a choc ice. Her lovely arse was facing Cal, who reached up her mini-skirt and tugged at her flimsy knickers.

In no time at all he had stripped her naked. Then she turned to Cal and started sucking his cock. Andy wasted no time getting in behind her.

He parted her legs and pushed his cock inside her dripping wet cunt. She let out a scream of pleasure as his cock rammed in and out of her.

I decided to get in on the act, telling Leigh to lie down on the floor. Cal swapped with Andy and shoved his cock up Leigh while I stuck my dick in her mouth.

She immediately began sucking and licking and then, with one hand, reached out and began wanking Kevin off furiously.

It wasn't long before Cal was firing his spunk up her hot pussy and as she moaned in pleasure I felt even hornier. I couldn't hold back any longer and released my cream into her mouth.

She lapped up every drop. Then Andy, feeling a little left out, muscled in and put Pam in the doggy-style position. He squeezed his cock up her tight arsehole.

She was moaning like a good 'un and as Andy rode her arse Cal began sucking on her big tits. A few moments later Andy shot his load all over Leigh's arse.

Cal then shoved his fingers up her cunt and played with her tits until she was pouring pussy juice over his sweaty palm.

I knew she wanted more, and sure enough she soon came over to ask if they'd

inch his man-meat up my tight little wet pussy.

He stretched me wider than any man had done before, making me whimper as he stretched my cunt out all the time.

Mark was telling him to fuck me like a little bitch while wanking his cock.

Ian was pounding my cunt like a mad man and I was frigging my clit with my fingers. My pussy started to spasm as my orgasm rushed through my body, making me squirt.

Mark told Ian to fuck his dirty little slut's fanny and Ian forced his hard cock deeper up me till he twitched. I felt him start to fire his load deep into my well-abused little fanny. When he pulled out I just wanted to collapse but Mark was there with his cock, pushing Ian's spunk back into my well-used cunt. It had certainly been stretched to its limit and milked their cocks of all their spunk.

We all ended up in bed together and I was woken three more times that night to have their cocks forced up my sore and abused little fanny.

Ian stayed with us for a week and fucked and stretched my fanny so that now I can easily take four fingers of a mans hand, up to his knuckles. Mark has been complaining that Ian has fucked up his wife's tight little cunt up!

Chloe, Lancs.

HE PLAYED WITH HER TITS TILL SHE POURED JUICE INTO HIS PALM

double fuck her.

Would they ever! She had one cock up her cunt and one up her arse and she was going like a fucking rocking horse. She was loving every minute of it.

I stood in front of her wanking like mad and, when the boys had cum, I spunked all over her face.

I lost count of the number of times we bonked her that night till 7am. She still thanks me for the best fucking session ever.

Mark, Doncaster.

Lucky Bugger

At a club, on the pull, I ran into a gorgeous girl with bright blonde hair and a curvy pear-shape (just how I like them).

I could see her stockings peeping out from below her tiny skirt. I decided right then that I had to fuck her. I went up to the bar next to her and asked if I could buy her a drink. Saying nothing, she led me outside and bundled me into a taxi.

DONNA, SOMERSET

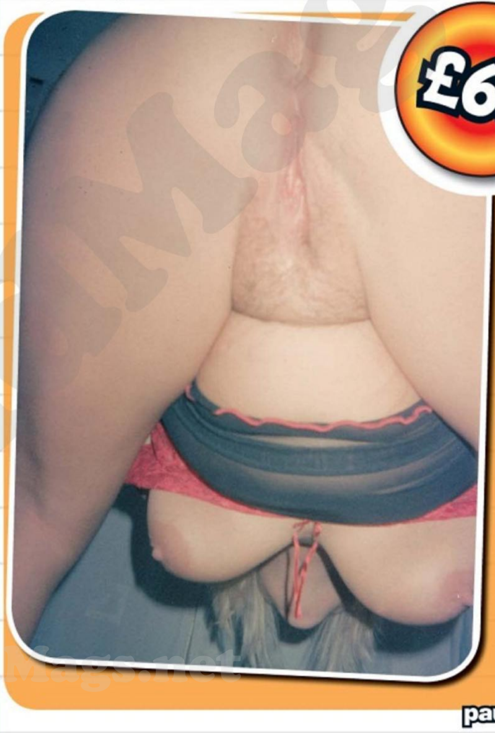
She'd hardly shut the door and she had her hand on my cock. It was already rock hard and it sprang out when she undid my jeans. She started to run her tongue up and down my shaft before clamping her mouth round my bell-end and sucking like mad.

I SPENT THE NIGHT HAMMERING MY COCK INTO HER HOLES

She'd obviously done it before – it was incredible. It was so good that after a few seconds I fired jets of hot cum into her mouth. Moments later she rose and smacked her lips. She'd swallowed every drop of my cum and licked my cock clean.

Back at her place she wasted no time. She sat on the sofa with her legs spread in the air. She beckoned me over with one finger and said, "You're going to lick my cunt!" Forward tart, I thought, gratefully.

I eagerly began to lap at her soaking cunt, and she moaned loudly. She grasped the back of my head and buried my face in her cunt. I kept on licking and soon she bucked and screamed as she had the first of many massive orgasms.



£60

I spent the rest of the night hammering my cock into all of her lovely holes. She wanted to do everything, including taking photos. She was insatiable and had me fucking all night.

The next day I was totally knackered and very sore, but believe me it was worth it!

Paul, Somerset.
